 January 1, 2015 – December 31, 2015

County Name: Morrison

Work Plan Inspection Goals Please describe the progress that you made during the calendar year in meeting your 2015 work plan inspection goals. Your report must provide quantitative results for each inspection production site and land application goal listed in your work plan. *I was able to inspect 20 feedlots in the priority townships and 20 that have never been inspected before. This met my work plan goals of inspecting 20 apiece. I also inspected 3 level III land applications in Belle Prairie Township, which was one of my priority townships. I inspected 4 feedlots in shoreland, instead of 5 and I also had 13 CSF or Interim Permits issued instead of my 5 that is more typical. So, I had more work devoted to the proposed construction activities in the County.*

Owner Assistance Goals Please report on the following owner assistance activities that you conducted in the past year. Include a date and description for each of the activities listed.

- *Newsletters/direct mailings sent to feedlot owners: I sent my stockpiling letters directly to producers on 8/5/15. These went out to 119 producers discussing the stockpiling requirements. These were sent to beef and dairy producers in the southern townships.*
